HOLDING DUTCH SHIPS IN AMERICAN PORTS

WASHINGTON, March 18.—The United States is now holding all except two of the Dutch ships which are now in American ports to prevent their escape pending their probable requisition Monday. No bunker licenses will be issued for their sailing until they are taken over, either by commandeering or negotiations.

WILSON APPROVES COMMUNITY COUNCILS

H. A. Lemmon, Director, State Council of Defense, Nevada.

"Your state, in extending its national defense organization by the creation of community councils, is in my opinion making an advance of vital significance. It will, I believe, result when thoroughly carried out in welding the nation together as no nation of great size has ever been welded before. It will build up from the bottom an understanding and sympathy of purpose and effort which will no doubt have an immediate and decisive effect upon our great undertaking. You will find it, I think, not so much a new task as a unification of existing efforts, a fusion of energies now too much scattered and at times somewhat confused into one harmonious and effective power."

"It is only by extending your organization to small communities that every citizen of the state can be reached and touched with the inspiration of the common cause. The school house has been suggested as an apt, though not essential, center for your local council. It symbolizes one of the first fruits of such an organization, namely, the spreading of the realization of the great truth that it is each one of us as an individual citizen upon whom rests the ultimate responsibility. Through this great new organization we will express with added emphasis our will to win and our confidence in the utter righteousness of our purpose."

"Sincerely yours,

"WOODROW WILSON."

KNIGHTS OF COLUMBUS DOING GOOD WORK

MANY WILL ATTEND BENEFIT TO BE GIVEN IN MANHATTAN THIS EVENING

One of the largest and most enthusiastic meetings of the local council of the Knights of Columbus was held Thursday evening at their home on Brougher avenue.

Great interest was shown in regard to the war camp work that is being done by the order. The local council has, up to the present time, sent over \$1000 to the national headquarters.

This work is still being pushed by the order and its friends. There is yet a substantial sum to the credit of this fund in the local banks and new additions coming in daily, which will later be forwarded to the headquarters.

Among the many events of interest along this line is the coming entertainment to be held in Manhattan this evening under the auspices of the ladies of that enterprising town, the proceeds of which will be donated to the war camp funds of the local council. A number of the local Knights and their friends have arranged to go over to join in the festivities.

The main event of the season with the Tonopah council will be the state convention of the order which will be held in Tonopah in the latter part of May. Delegates from all councils in the state will be present. At that time the major degrees of the order will be exemplified and a large class of novices will be inducted into the order.

The state deputy and grand knight are working diligently on a matter of great importance to the order members, not only of Tonopah council but all councils within the jurisdiction of the state. The local officers are working earnestly to make this the most notable event of Columbianism in the state of Nevada.

NEW RED CROSS DEPARTMENT OPEN

The work on the up-stairs room at Red Cross headquarters was finished Friday with the exception of one or two little things that can be done later and the new surgical dressings department for making the French models moved in today. Both surgical dressings department, the one for making the American models and the one for making the French models, will occupy this room which is large and very well lighted. The work in both departments will go on exactly as before the move.

AMUSEMENTS

ETHEL BARRYMORE AT THE BUTLER

Ethel Barrymore, the celebrated Metro star, who has not been seen in Tonopah for some time past, is most happily cast in the role of Maria in "The Eternal Mother," in which the famous star of stage and screen will be seen at the Butler this evening. In this adaptation of Sidney McCull's novel, "Red Horse Hill," Miss Barrymore plays the part of a young woman, who has married against her father's wishes a man who turns out to be a worthless drunkard. She finds comfort and happiness in their child, Felice, and lavishes on the child a wealth of mother love and affection. The scenes with the child are particularly beautiful. Later she shows her love for other children by aid and benefactions. Miss Barrymore, in private life Mrs. Russell Colt, is the mother of three beautiful children and her love for them and her duty as a mother always comes first. Her appearance with children in these Wonderplays has been a revelation of her love for little ones, and the selection of this star to depict the heroine in "The Eternal Mother," was a happy one. Miss Barrymore is ideal as Maria. This is only half of the program today, however. Whatever happens do not miss seeing the two reel Fox Sunshine comedy, "Shadows of Her Past." A scream from start to the very finish. A seven reel program that is sure to please all.

Tomorrow, (St. Patrick's day), Harry Morey and Gladys Leslie, as the Irish colleen, in "His Own People," a pretty Irish drama which takes you to a village of the Emerald Isle. Also Pearl White, the favorite Pathe star, in "The Fatal Ring," which is fast coming to a very exciting and thrilling climax.
